

Adding Numbers to Four Digits

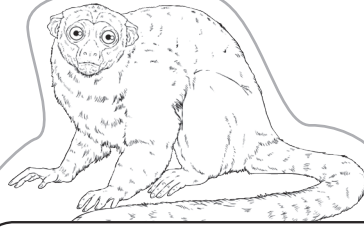

Rainforest-Themed Maths Activity Game

Habitat game

Cut out the animals. Complete the calculation on each animal and then sort them by their answer onto the correct habitat. Once you have selected the correct habitat, stick the animal onto the habitat using a glue stick.

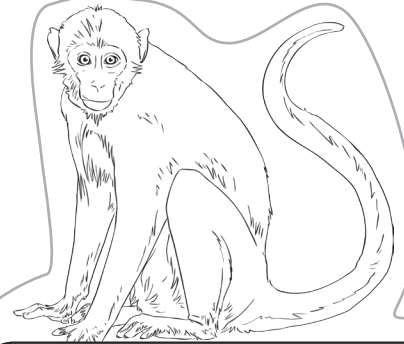

$$5533 + 1425 =$$

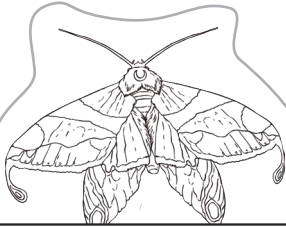

$$7341 + 2047 =$$

$$3532 + 625 =$$

$$6453 + 463 =$$

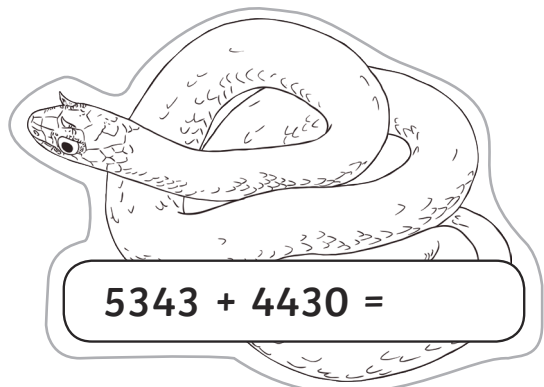

$$5236 + 515 =$$

$$8533 + 1324 =$$

$$372 + 173 =$$

$$5343 + 4430 =$$

Answer is less than 6000.

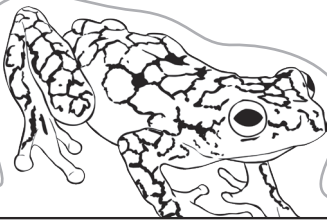

Answer is 6000 or greater.

Adding Numbers to Four Digits

Rainforest-Themed Maths Activity Game

Magnet game

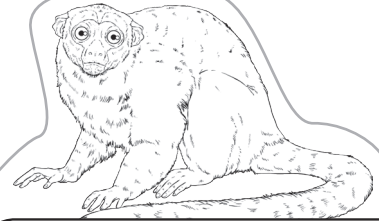

Cut out and attach a paperclip to each animal. Use a magnet to select an animal. Complete the calculation.

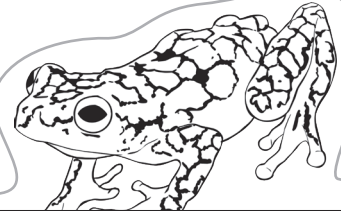

$$4364 + 1265 =$$

$$5340 + 4247 =$$

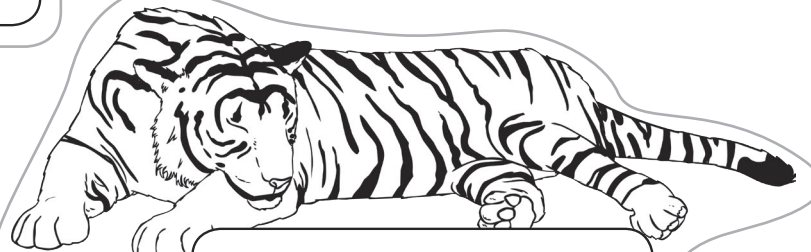

$$4173 + 3304 =$$

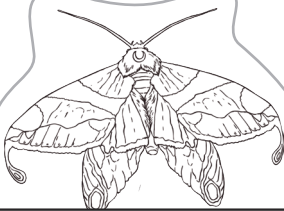

$$8247 + 441 =$$

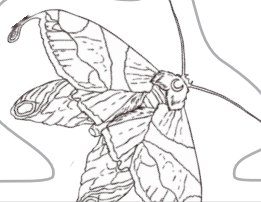

$$9512 + 8567 =$$

$$6235 + 206 =$$

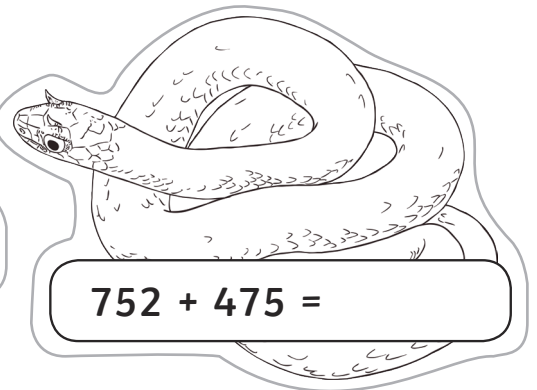

$$3442 + 525 =$$

$$7633 + 2525 =$$

$$8418 + 1441 =$$

$$752 + 475 =$$

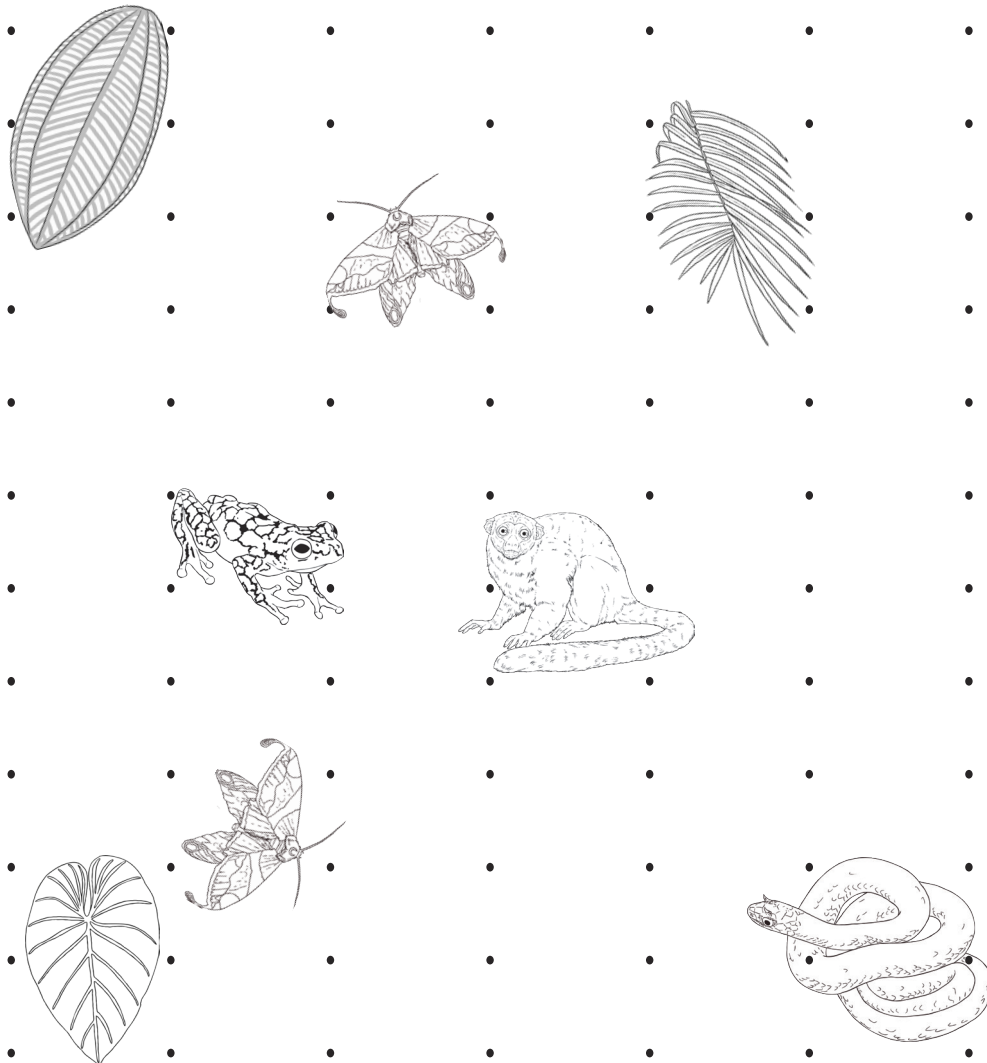

Rainforest-Themed Maths Activity Game

Two-player game

Take turns to select a card. Complete the calculation. Once you have completed the calculation, check your answer. If your calculation is correct, join two of the dots with a horizontal or vertical line and the turn is passed. If the answer is incorrect, the turn is passed to the next player without drawing a line.

During the game, boxes will be made by four lines joining together. The player who draws a line that finishes a four-sided box writes their initials in the box. Each box is worth a point. If a box is made around a picture, it counts for five points.

The person with the most points by the end of the game wins.
