

Ending Self-Isolation Early—Update

In line with government guidance, we are able to accept your child back into school from the beginning of Day 6 from today, Monday 17th January, as long as they are well and DO NOT HAVE A TEMPERATURE. Evidence of two negative lateral flow tests, taken 24 hours apart, will still be required please. This is to ensure we limit the transmission as much as possible so that school can stay open.

How five-day isolation rule works in England
