

Be the best you can be!

Week beginning Monday 22nd June 2020

Year 6

Rainforest Calling

This is an original story about a girl who learns about the rainforest through watching live webcams of the Amazon. Then she gets an unusual video call from someone with a serious problem...

Read the ebook. It is 131 pages long so you might want to read it over a few days!

Literacy

There are guided reading questions for each chapter of the story and there are two comprehension activities – one about the story and one about the Potoo Bird!

Science

There is information about Rainforest animals and a worksheet.

Geography

There is an activity called mapping out the Amazon rainforest!

Maths

There is an adding 4 digit numbers activity.

Art

There are some jungle animal drawing templates, some colouring pages and also a surprisingly good 'flextriangle' to make.

Theme Park project

In the afternoons this week you would be doing a Theme Park project. Work through the presentations over the week (there are six lessons) and use the activity sheets to help you complete the tasks.
