Has your school's PE and sport premium spending achieved any of the following?

An improvement in water safety awareness

How has your school's spending increased pupil participation in extra-curricular activities?

We have run after school clubs throughout the academic year and have used sports premium funding to subsidise the cost to make the clubs more accessible to all of our children. This has enabled more children to take part and to try some new and different activities that they otherwise might not be able to afford.

How has your school's spending improved water safety awareness?

We have used the sports premium funding to send our year 4 children swimming weekly throughout the academic year and to send our year 6 children for 6 weeks of top-up lessons. This has made sure that more children have been able to complete the National Curriculum standards for swimming, including water safety.

Section 6 of 9 - sustainability

How is your school going to ensure that the improvements made through its spending of the PE and sport premium are sustainable?

We have budgeted to continue with year 4 swimming and year 6 top-up swimming in the next academic year. Also in the budget is continued support from coaches at lunchtime to keep the children active engaged, assisting with behaviour management on the playground.

Section 7 of 9 - swimming

What percentage of pupils in your current year 6 cohort can swim competently, confidently, and proficiently, over a distance of 25 metres?

32

What percentage of pupils in your current year 6 cohort can use a range of strokes effectively (e.g. front crawl, backstroke, and breaststroke)?

31

What percentage of pupils in your current year 6 cohort are able to perform safe self-rescue in different water-based situations?
