

19TH DECEMBER 2025

What a lovely week we have had in school in the run up to Christmas! We've enjoyed welcoming our Year 3 parents and carers into school to watch our production of 'The Christmas Jigsaw' this week and enjoyed a great singing assembly to finish off the year too—including our old favourite, '12 Days of Christmas' which I sometimes think the staff enjoy more than the children!

The staff and I would all like to wish you and your families a *very Merry Christmas and best wishes for 2026* and I would also like to thank the staff for their efforts over the last term—all of them have battled through feeling a little (or very) under the weather as we approach the holidays. **We look forward to seeing you all back in school on Monday 5th January 2026!**

If you have any safeguarding concerns over the Christmas holidays, please email our Safeguarding Team using [safeguarding@gaytonj.derby.sch.uk](mailto:safeguarding@gaytonj.derby.sch.uk)—one of the team will get back to you as soon as we can as we monitor the site regularly during the holidays. If you are concerned that a child is in immediate danger, you should ring 999.

Kind regards,  
Mrs J Hill

## Safeguarding

Huge thanks to my colleague at Markeaton Primary for making us aware this week that another series of books have web addresses in them that are directing children to untrusted websites. Several titles in the 'According to Humphrey' series contain a weblink in the back of the book that no longer directs children to information about the books. Instead, **the link has been compromised and now leads to inappropriate and unsafe material that should not be accessed by children.**

Please see the included image of some of the books in the series so that you might recognise any you may have at home. The link can be found on the back cover or may also be included on a page inside. ***These books are published by Scholastic, who run our Book Fairs, so it is possible that your child might have bought a book at a Book Fair in school.***

We do not believe we have any copies of these books in school but please do return any that your child might have borrowed as a reading book after the holidays—please pass these directly to an adult at the door so that we can dispose of these appropriately.

**Please be extra vigilant with any links in books your child is reading and check them before your child accesses them.** This is now the second known instance of this so it is best to be cautious.

### School Dinners

When we return to school in January, we will be back to our **Week 1 menu**. Please remember that school dinners cost £2.80 and **MUST** be paid for, **ONLINE, IN ADVANCE**. [Week 1 Menu](#)

### Parent App

Parent App is our preferred method of communicating with parents as it is quick and easy: it is the best way to let you know if there is a problem in school, such as a power cut or lack of water that means we are unable to open or, at this time of year, an issue with snow. Therefore it is vital that ALL parents have signed up to the app and we still have a small number of children whose parents are not registered, which means it costs us money to send out messages by text messages. Please make it your New Year's Resolution to install and register the app if you have not already. Contact me at [head@gaytonj.derby.sch.uk](mailto:head@gaytonj.derby.sch.uk) if you require a new invitation!

Weekly newsletters are also sent out via the app and this is the best way of keeping up with what is happening in school, as well as being able to report absences and find links to school dinner menus on the go.
