8TH MARCH 2024

Thank you to everyone who joined us in school this week to meet with your child's class teachers. We really value this time with you and being able to share your child's successes with you as well as discussing our next steps all together as a team. Please give the office a call if you did not manage to make your appointment and we will try to arrange an alternative for you.

We had a great morning on Wednesday with the parents who joined us for this month's Coffee Morning. Children joined their parents to have a try at a range of activities aimed at helping with regulation and anxiety that can be done easily at home. We hope you are all making good use of your goodie bags already!

Another big thank you to Mrs Aujla and the teaching team for organizing another amazing Book Week this week! I know when I was teaching I looked forward to these weeks as it was a good opportunity to get really lost in a book with my class and the children have been keen to tell me all about the work they have been doing when I have been popping in to see how they have been getting on this week! Thank you also for supporting us with your Book Fair purchases: we will update you next week with how much commission we have raised to spend on books to support the curriculum and boost our bookshelves in the coming year.

And... one final thank you to everyone who bought, made, painted, sewed and glued to help create some fantastic costumes yesterday to celebrate World Book Day! I was so sad when I saw that I was booked out of school on the day but I have seen some wonderful photos of some amazing costumes, as always!

Class Attendances—Week beginning 26th February 2024

Our attendance for this week is **95.9%**. Thank you for your support with promoting good attendance in school, it is much appreciated.

I sent a message home this week reminding parents about the need to keep children off for 48 hours **AFTER** a bout of sickness or diarrhoea as we have some children in school who have medical conditions that could be compromised by catching common childhood bugs. Thank you for your support with this. The link to the information that accompanied the message on the app can be found [here](#).

Class 2	95.3%

Kind regards,
Mrs J Hill

Comic Relief—Red Nose Day—Friday 15th March 2024

We will be selling red noses in the hall ahead of Red Nose Day **from Monday 11th March** when doors open at 8:45am. Noses cost £2 each and there are 5 different designs this year.

As usual, we are inviting the children to wear a **splash of red** (e.g. red nose, t-shirt, hairband, socks or Comic Relief merchandise) along with their school uniform on the day for a donation (no jeans or football shirts please).

Breakfast

This week we have provided breakfast to **54** children. Children can come to the hall when doors open to collect a breakfast bar if they wish. *Please remind your children that this provision is for those that have not had access to a breakfast at home.* Thank you.
